This document was produced through the efforts of the Network of Oregon Watershed Councils. Assistance with mapping and the cost of production was provided by the Oregon Watershed Enhancement Board and Henderson's Printing of Corvallis. Support was also provided by the staff of Resource Assistance for Rural Environments (RARE) at the University of Oregon.

...because we all live downstream.

“Watershed Councils in Oregon: An Atlas of Accomplishments” was compiled and edited by Jenny Bayn, Assistant Coordinator of the Network of Oregon Watershed Councils.

Special thanks to all of the watershed council coordinators and volunteers who contributed their time and energy to this project.
